Battle Axe Shoes Awarded Gold Medal and Blue Ribbon.

At the State Fair, held here during the past week, the Stephen Putney Shoe Company was awarded the gold medal and blue ribbon on their magnificent and attractive exhibit of Battle Axe Shoes.

That the highest award was given to this exhibit caused no surprise. It was the universal opinion of every one who witnessed the magnificent array of Battle Axe Shoes displayed at the fair, representing more than six hundred styles, from the finest to the coarsest grades, that it was the finest ex-hibit of shoes ever shown in the State of North Carolina. The representatives of the Stephen Putney Shoe Company, Messrs, R. T. Hancock and Channing M. Clarke, are to be congratulated on the splendid taste shown in the artistic arrangement of the exhibit. It was not the mere artistic arrangement, however, that give to Battle Axe Shoes the first prize, but the superior style and quality of the shoes themselves over all competitors. Well may the Stephen Putney Shoe Company feel proud of its success.—Raleigh, N. C., News and Observer. Observer.

Awarded Gold Medal.

The Stephen Putney Shoe Company, of Richmond, Va., was awarded the gold medal at the State Fair for the best display-the celebrated "Battle Axe" Shoes. The exhibit was very much admired. Clarke, who was rulsed in the business, like Mr. Hancock. The State is thoroughly canvassed by an able corps of salesmen—Mr. James D. Nelson, W. M. Davis and C. M. Hobbs. These men were all raised in the shoe business. To make a long story short, those desiring solid leather shoes would do well to examine the "Battle Axe" Shoe line before buying.—Columbia, S.
